Test results: We don't usually phone if your test results are normal. We recommend you phone us to confirm all test results 3 to 4 days after the test

Text Reminders: We provide this service for booked appointments

Complaints Procedures

We strive to maintain a high-quality service to our patients, and we welcome any suggestions and feedback you might have. If you are unhappy about the treatment you have received, or would like to provide us with any feedback, please let us know by either discussing it with the staff member concerned or contacting our Practice Manager or Clinical Manager

Contact the Practice Nurse

Call us if you need to speak with our Practice Nurse for advice.

Repeat Prescriptions

If your medical condition is well controlled and you are on long term medication, you may phone for/request your repeat medications although we do recommend you see your doctor at least every 6 months for review. Generally, 48 hours' notice is required and there is a \$15 charge for this service (for registered patients). Urgent requests, e.g. ready the next business day, cost \$20 for registered patients. All prescriptions are emailed to the pharmacy of your choice.

OPENING HOURS

8.00 am to 5.30pm
Monday to Friday

AFTER HOURS

If you require urgent medical attention, please phone us on: **07 378-7060**

Taupō Health Centre, alongside the 2 other local general practices, provide cover for 24-hour emergency health services throughout the year. This service is available for urgent conditions arising outside normal surgery hours. It is not intended for use by people seeking medical care for non-urgent/routine concerns. Please phone the number above at any time if you require urgent medical attention.

HOME VISITS

Our doctors do home visits when necessary. We strongly recommend, however, that these requests are kept for emergencies, as visits to our clinic allow more time and better facilities for you and your health care team.
